SPECIFIC COMMENTS:

Please describe what you like best about the school/school district you are reviewing:

The welcoming they give my child each morning when he gets out of the car.

Please describe what you like least about the school/school district you are reviewing:

Don't know that he's getting enough aide in the classroom.

What changes would you like to see made at the school/school district you are reviewing:

A little more emails or notes about how he is doing.

What specific problems, if any, have you encountered with this school/school district:

In past years teachers did not have a plan in place for my child. That happened twice after I had met for transition meeting. Intermediate really messed up.

Is there anything else you would like other parents to know about this school/school district:

It's good but like any school you as a parent have to stay on your toes and stay involved to make sure the school is doing what they are supposed to do to make sure your child is happy and getting the best education he can.
