### SPECIFIC COMMENTS:

**Please describe what you like best about the school/school district you are reviewing:**

They listen to my suggestions and truly want to see what I feel is best for my son.

I think there could be more support but that is a funding issue.

**What changes would you like to see made at the school/school district you are reviewing:**

I think a meeting in the beginning of the year with new students would help avoid some of the issues we have had. The more they understand a child the better they can help them.
