SPECIFIC COMMENTS:

Please describe what you like best about the school/school district you are reviewing:

Individual teachers are caring and trying.

Please describe what you like least about the school/school district you are reviewing:

District and school administrators do not like parents to be involved in the school -- they want us to just sit back and let them do whatever they think is best

What changes would you like to see made at the school/school district you are reviewing:

More parent involvement -- let us HELP in the schools and in the classrooms

What specific problems, if any, have you encountered with this school/school district:

Inappropriate accommodations... general ed teachers who think accommodations are 'not their job'... teachers who will not coordinate future lessons / activities with parents to determine best accommodations

Is there anything else you would like other parents to know about this school/school district:

Stay on top of the school... and put your school board member on speed dial. The only way to really resolve issues is to force them to comply with the IEP or get a board member involved
