### SPECIFIC COMMENTS:

**Please describe what you like best about the school/school district you are reviewing:**

The building was pretty.

**Please describe what you like least about the school/school district you are reviewing:**

They treated my child, and myself, like second class citizens. They did not implement any of the accommodations that were recommended for my child, and lied about sending her to occupational therapy. They sent notes home describing what she did in OT, but when I requested her records I discovered she had never been to OT. They refused to put her in special education because her IQ was “too high” but would not help her even when she failed second grade twice.

**What changes would you like to see made at the school/school district you are reviewing:**

Administrators who have an understanding of autism in girls.

**What specific problems, if any, have you encountered with this school/school district:**

**Is there anything else you would like other parents to know about this school/school district:**

If your child is normal, and you are not poor, it is a great system. Otherwise, move.
