SPECIFIC COMMENTS:

Please describe what you like best about the school/school district you are reviewing:

Excellent staff that truly love my child.

Please describe what you like least about the school/school district you are reviewing:

Some of the staff have some learning to do in regards to viewing the parents as primary in the life of the child. I have at times felt unwelcome and “in the way” when visiting/observing.

What changes would you like to see made at the school/school district you are reviewing:

A view of parental involvement as welcome/beneficial for all and not confrontational. Sometimes it seems almost as those special needs parents are less welcome than regular education students because these children are more complex and staff at times seems to be overly concerned with covering themselves vs. just communicating and interacting with the special needs family.

What specific problems, if any, have you encountered with this school/school district:

Is there anything else you would like other parents to know about this school/school district:

I would like to know more about the Chelsea middle school and high school. I have heard some concerns regarding lack of resources and some apathy regarding inclusion.
