SPECIFIC COMMENTS:

Please describe what you like best about the school/school district you are reviewing:

Meadowview is a rather large school, but it has a very small school fee! The principal is always willing and available to answer questions, and the staff is knowledgeable and friendly. My child's teachers obviously enjoy their jobs and are very loving toward the children. I could not ask for a better school.

Please describe what you like least about the school/school district you are reviewing:

I'm pretty unhappy that the city of Alabaster has chosen to break away from the Shelby County School system. The timing is bad. I also don't understand why we need to abandon a system that is working.

None.

Only that I hope Meadowview will continue to be as awesome as it is now once it is part of the Alabaster School system.
