Nothing.

Please describe what you like least about the school/school district you are reviewing:

Everything.

What changes would you like to see made at the school/school district you are reviewing:

This school system needs to listen to the parents. They tend to ignore what the parents say, and think they know more about your child than you do.

What specific problems, if any, have you encountered with this school/school district:

Bullies, teachers, students, and administrators not following IEP, and not making allowances for special needs or situations.

Is there anything else you would like other parents to know about this school/school district:

Think long and hard before you put your child in Montevallo Elementary. If you have a choice of places to move to in Alabama, go to Baldwin County, specifically Rosinton Elementary.
