SPECIFIC COMMENTS:

Please describe what you like best about the school/school district you are reviewing:

We love Oak Mountain Elementary! They have always worked with us and have been open to ideas from others. I feel like they truly care about my child and the education he receives. My son had a very difficult kindergarten year—physical aggression, verbal threats, very disruptive and destructive. They worked with us and consulted Kerry Mataya to come in and help with his behavior issues. We were able to figure out what the issues were and things have been SO much better (he's now in 2nd).
