My overall satisfaction with the special education services my child receives.	1/1						

SPECIFIC COMMENTS:

Please describe what you like best about the school/school district you are reviewing:

I am amazed at how good they treat my son and the extra effort they go to make him feel like he fits in. All the Aides/Teachers/Therapists know my child by name and when walking down the hall, they all say “hi” to him when I pick him up.

Please describe what you like least about the school/school district you are reviewing:

I get daily reports from the resource room. I wish I got daily reports from the mainstream class.

What changes would you like to see made at the school/school district you are reviewing:

I am so happy right now. I am satisfied with things staying just like they are.

What specific problems, if any, have you encountered with this school/school district:

A few problems at first getting his IEP done before he got into school. But after that, it has been great.

Is there anything else you would like other parents to know about this school/school district:

I STRONGLY recommend this school. The teachers truly care about ALL the kids. There are always smiling faces. Never any conflict. All the kids seem happy. I couldn’t ask for anything better if I were paying \$2000 a month for private school!
